

Carl Steele PTA Meeting Scheduled

The Carl Steele PTA board, p.m. in the school auditorium, met September 6, president Mrs. J. R. Erving presiding, and set up a special association meeting Board of Education who will talk to us on a special ballot

containing the state building and an override tax for school aid. This will be an important loan proposal issue in the October 9 special schools election.

The executive board is strongly endorsing this state loan proposal. Mrs. A. D. Hawkins was ratified as program chairman and presented the board with an outline of this years program. Mrs. Donald Coleman, ways and means chairman, reported to the

board her committee's plans for the association this year. The board ratified Mrs. A. W. Beresford as the new first vice-president.

KIWANIS TO GIVE CHECK TO INSTITUTE

At the regular monthly meeting of the board of directors of the Kiwanis club of Waleria, it was voted to donate a Heifer to the Spanish American Institute, in order to help them replace the cattle lost through a disease and rabid dog.

The check will be presented to Dr. R. H. Silverthorn, director of the institute, at the luncheon meeting of the Kiwanis club of Waleria, on September 20, at 12:10 p.m., at the Fish Shanty, located on Pacific Coast hwy.

It was also voted to donate \$100 to the Waleria library for the purchase of children's books.

Volunteers Bring Cheer to Harbor Hospital Patients

By BONNIE WILLIAMS
(Editor's note: This is the first of a series of articles on the volunteer program at Harbor General hospital).

There has always been a shortage of doctors and nurses, and paid professional help in our hospitals. This is especially true in our state and county hospitals. Due to this shortage the nurses don't have the time to do anything other than that specified in the nurse's manual.

But to the aid of the sick and afflicted come those wonderful people, the volunteers. A group of adult volunteers, as sponsored by Harbor General Hospital, have brought life to the dull day by day routine of the hospital.

They bring a new outlook and vitality to the patients. Those who have not had visitors since their confinement now have someone to talk to and discuss their problems with. The raising of a window or of a bed, a kind word or something to read can mean so much after even two or three days flat on your back.

200 Volunteers
This group of volunteers was created by 25 women who wanted to come down to the hospital on their own time and do what

they could to help. Since last October this organization has grown to a total of 200 women, yet more are still needed. These women have contributed more than 14,000 hours of their own time in less than a year.

A council has been formed which works in conjunction with the Supervisor of Volunteer Services at the hospital.

The volunteers assist in training other volunteers, always under the supervision of a nurse, to work in any part of the hospital. Any woman from 18 years of age to 75 who can work a minimum of two hours a week is needed.

All Types of Work
Volunteers may work in any ward or clinic in the hospital, in central supply, pharmacy, or admitting. You may work at your own convenience and for as long as you wish. If your shift runs through any meal time you are privileged to eat in the hospital dining room free of charge.

All volunteers are given a free physical and chest x-ray before they start to work and must wear a regulation uniform and badge while on hospital grounds.

For information regarding volunteers, individuals may call Mrs. Marguerite McAllister at FA. 8-2380 ext. 224.

PARADE SET FOR WALTERIA

The Waleria Businessmen's club is sponsoring its annual picnic and parade, on September 15, at 11 a.m., near Newton and Pacific Coast hwy.

The parade is being put on for the Waleria youth activities of Waleria and for the dedication of the Waleria Recreation building.

Indians, horses, bands, a Scouts will march in the parade. Local talent and Indian ceremonies will be performed at the Waleria park.

TOURNAMENTS
El Nido County park hosted table game tournaments which included: checkers chess and carroms. Refreshments were served following the tournaments.
